The Institution has an exclusive building for central library with all amenities. Library has a collection of 28,827 volumes. The books are classified according to the Dewey Decimal Classification system. Open access system is followed in the library. Based on the requirement of subject handling faculty, books are purchased properly during the academic year with the approval of Library Advisory Committee and Head of the Department. New arrivals are updated in the library database for easy accessibility of students.

The number of copies and titles are increased in each academic year as recommended by Anna University and AICTE. To inculcate the book reading habits among the students, an exclusive Library Hour is included in the class time tables for all the years.
