

## NAAC CRITERION- 7

### 7.1.2 The Institution has facilities for alternate sources of energy and energy conservation Measures

#### DISABLED FRIENDLY BARRIER FREE ENVIRONMENT

##### Signage including tactile path, lights, display boards and signposts:

- As far as the disabled persons are concerned availability of Sign boards play a vital role for their assistance.
- Various Sign and Display boards were placed in the campus which makes the disabled people to move comfortably inside the campus without any confusions.
