

SSM INSTITUTE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi / Affiliated to Anna University, Chennai / Accredited by NAAC)

(Accredited by NBA – ECE, EEE and MECH UG programs)

Dindigul – Palani Highway, Dindigul – 624 002

Key Indicator – 4.1 Physical Facilities

4.1.1 The Institution has adequate infrastructure and other facilities for

a. Teaching – learning, viz., classrooms, laboratories, computing equipment etc

b. ICT – enabled facilities such as smart class, LMS etc.

Facilities for Cultural and sports activities, yoga centre, games (indoor and outdoor), Gymnasium, auditorium etc.

The Institution follows the norms provided by AICTE for establishing and enhancing the infrastructure that facilitates effective teaching and learning in proportion to the student strength in different disciplines. The college constantly expands and upgrades the required infrastructure facilities, anticipating future requirements. All the departments are fully equipped with the necessary infrastructure to meet the ever-increasing requirements with adequate class rooms, seminar halls, laboratories and sufficient space for hosting all the academic activities.

The Institution is well equipped with 37 classrooms, 35 laboratories, 600 computers, an acoustically designed auditorium with a seating capacity of 3000. There are 3 seminar halls, out of them 2 are air conditioned, and an indoor auditorium with 1500 seating capacity. In order to promote a good teaching learning environment, all the classrooms are equipped with LCD projectors, and writing boards.

Laboratories, Internet and Library & Reading room facilities are provided beyond college hours for students and faculty to improve their competency. The availability of e-resources especially reputed journals and digital library services provide further support to students in undertaking research activities. Besides, facilities to enable learning through video Conferencing are also available.

The Institution has policies, for creation and enhancement of infrastructure in order to promote a good teaching-learning environment. Further, the top management periodically discusses with Principal and HoDs regarding enhancement of infrastructural facilities to enable suitable ambience for effective teaching learning

process. There are 56 CCTV cameras are helping to maintain a safer and more secured environment.

The Institution takes efforts to facilitate research with all the resources like laboratories, digital library and computer lab facilities especially for research and project works. Curriculum examples are supported with practical ideas, including ideas for working and learning digitally, managing digital content and for developing digital citizenship. The ICT enabled class room facilities include a wireless interactive device, a document camera, LCD projector and white board.

E-Learning is being introduced and students are given access to download and use presentation slides. Facilities to enable learning through Video Conferencing and smart class are also made available. High Speed Internet with unlimited access to educational contents is made available for both faculty members and students.

The sports area includes Indoor Stadium with well-furnished flooring, Gymnasium, Pavilion and Gallery. Many students have represented the college at zonal level, state level and national level tournaments. The Institution has a regular post of Physical Director. Besides him, there are part time instructors for GYM, Yoga and athletics. The Institution has the following sports facilities: Badminton court, Table Tennis, Hand Ball courts, Football ground, Basketball court, Ball Badminton court, Cricket ground, Sports Officer Chamber, Yoga & Meditation Room. There are two specially appointed personnel for gym and sports facilities. Girl students are motivated to participate in various inter and intra collegiate competitions. The Institution has sufficient equipments for athletics.
