Webinar Report

“Career Opportunities after Graduation”

By R.V.IAS Academy, DIndigul

Date: 19-07-2019

Session Timings : 3.15-4.30 P.M

The session was handled by Mr.Vigne, Director, RV IAS Academy. He pointed out the huge amount of Job opportunities available in the area of Government sectors. He mentioned the importance of the interview which is the most important part of the IAS exam. In the interview, your knowledge is not tested because it is already tested in the Prelims and Mains exam but they like to analyze and evaluate your personality. Ms.Gaythri District Assistant Inspector, TN Local Fund Department pointed out that the Coaching merely helps you; it does not ensure you a rank. Yourself study, consistency and the hard work you put in sitting at your study table matters far more than what you do in coaching classes. ... To say that without coaching you cannot crack UPSC is to tell a lie.

Benefits of this webinars are, students have understood the importance of preparing the competitive examinations.
