### DEPARTMENT OF CIVIL ENGINEERING

#### Expert Talk on "Basics of Civil Engineering in Construction Practice - Report

Department of Civil Engineering organized an Expert Talk on "Basics of Civil Engineering in Construction Practice" at Seminar Hall 1, SSM Institute of Engineering and Technology, Dindigul on 30<sup>th</sup> March, 2022 (Wednesday) and Er.M.Safiq Ahamed, Managing Director, Star Construction, Dindigul was the chief guest of the day. The students of II Year and III Year of Civil Department attended the programme. The programme was started at 10.00 AM and the welcome address was given by M.Muthamizh Selvan of II year - Civil Engineering, followed by the introduction of chief guest by Mrs. C.Merlin Rani, Assistant Professor - Civil Engineering. The chief guest was honoured by Dr. G.Selvabharathi, Head of the Department - Civil Engg. and felicitated the presidential address. The chief guest addressed about the practical knowledge required for a Civil Engineer and discussed about the various employment opportunities. The students had actively participated with keen interest and enthusiastically interacted with the speaker. Students had acquired the knowledge on concepts behind the building orientation, Vastu shastra, material specification used for construction and job openings on various domains in Civil Engineering. Finally, the Vote of thanks was given by Mr.V.Praveen Jesuraj, Assistant Professor - Civil Engineering and the programme came to end at 12.00 PM.

### STUDENTS FEEDBACK

Sl. No.	Name of the student	Year	Feedback
1.	N. Shahin Banu	II	The chief guest clearly explained the "Basics of Civil Engineering" and gave more motivation to all. The chief guest gave a speech of some motivation & conclusion. Really, it was very useful for us.
2.	M. Muthamizh Selvan	II	From this programme, we learned about his experience and his explanation regarding the orientation of plan gave us knowledge in preparation of plan. He talked about job experience and how to become a successful entrepreneur. He also motivated us and insisted that the most important thing for a Civil Engineer is Confidence.
3.	S. RagunathBoopathi	II	Chief guest taught us how to make plans by Vasthu Sastra and he told how to handle pressure while doing a project. He delivered his whole experience in his civil career. Personally, I am able to get some idea about civil engineering career and very importantly he told some general knowledge about Civil Engineering.
4.	K. Sri Karan	II	A quite good idea and cleverness was created in my mind by guest's speech. Good conversation was maintained with chief guest and a lot of experience was shared by him.
5.	S. Naveen Kumar	II	We learnt practical civil engineering aspects in different way. Questions were answered with humbleness. The guest motivated us.
6.	S. Sheik Dawood	III	The session gave us useful techniques about construction practices. Guest answered brought different points in planning. Want more events like this.
