Department of Civil Engineering

FDP in Outcome Based Education (OBE) on 05.12.2022 - Report

Department of Civil Engineering organised a **Faculty Development Programme (FDP) in Outcome Based Education (OBE) on 05.12.2022 (Monday)**. Dr. P. Muthupriya, Professor & Head, Department of Civil Engineering, NGP Institute of Technology (Autonomous), Coimbatore was called on as Resource person. FDP was coordinated by Mr. M. P. Karthik & Mr. P. M. Sharan Karthik, Assistant Professors/ Civil, SSMIET. The FDP was organised internally for SSMIET faculty. Faculties from various departments of SSMIET participated in the FDP. The programme started by 10.00 am. Dr. G. Selvabharathi, Associate Professor & Head, Department of Civil Engineering welcomed the gathering and introduced the chief guest. The session was handled well by the resource person. The attention of the participants was kept up constantly by posting interactive questions in between the presentation by the speaker. All concepts starting from the very definition of OBE to the process of implementing Outcome Based Education with the students were explained keenly by the resource person. Certain examples of practical instances were also explained. Topics regarding NBA and NAAC recommendations were also discussed. Details regarding Key Performance Indicators (KPI), how to finalise them were explained. The levels of learning outcomes in Cognitive, Affective and Psychomotor domains were analysed and how to use assessment tools to achieve these learning outcomes were explained. Certain Assessment tools were also recommended. Along with OBE, Competency Based Education (CBE) was also explained as it is closely related to OBE. A recapitulation session was also handled. Apart from these, General issues faced in teaching and learning process, objectives of Accreditation and Washington Accord were explained for the betterment of the faculty. A question & Answer session was arranged and the faculty actively took part and engaged in discussion with the resource person. The feedback from the participants were collected and it was satisfactory. Mr. M. P. Karthik, AP/ Civil
