REPORT

Alumni Meet on 23.09.2018

SSMIET organized the Alumni meet for 2013 – 2017 batch students on 16.04.2016 at its premises. The event started with cultural by junior students from the ‘Music Club’, for the crowd to relax and settle from a ceremonial meeting in the morning. Ms.S.Kaaviya, III Civil welcomed the gathering. Our Principal, Campus Director and the Alumni Association Coordinators Mrs.S.Lingeswari & Mr.S.Dhamodharan addressed the gathering. Prof.S.Lingeswari, while addressing the gathering conveyed that the alumni can contribute to their Alma matter not only monetarily but also by conducting guest lectures, seminars, workshops, event judging, internship support, placement support, etc. Principal Dr.M.Saravanan, during his address announced two awards for Alumni “Pride of SSMIET” and “Young Entrepreneur Award” which were well received by the audience with an uproar. These will be awarded from next year onwards during the annual Alumni Meet by inviting nominations from the Alumni. Prof.S.Dhamodharan explained the objectives of Alumni Association and conducted the election for selecting Executive Committee members. Then the alumni shared their past experiences both inside and outside the campus and it carried full of enthusiasm and encouragement to others. Finally the meeting ended with vote of thanks by M.S.Sangeetha, III Civil.

Report on Alumnus Talk on

"Introduction to Remote Sensing & GIS"

On November 27, 2023, SSM Institute of Engineering and Technology (SSMIET) had the privilege of hosting an insightful talk on "Introduction to Remote Sensing & GIS" by Ms. Niraimathi J, an esteemed alumna of the institution and currently a Prime Minister Research Fellow for full-time PhD at the National Institute of Technology (NIT), Trichy. Ms. Niraimathi is an accomplished professional in the field of Remote Sensing and Geographic Information System (GIS). Having graduated as Civil Engineer from SSM Institute of Engineering and Technology in 2018, she has made significant contributions to her field and serves as an inspiration to current students aspiring for excellence in technology and research.

Ms. Niraimathi commenced the session by providing an overview of Remote Sensing and GIS, emphasizing their vital roles in diverse domains such as environmental monitoring, urban planning, agriculture, and disaster management. She highlighted the transformative impact these technologies have had on decision-making processes across industries. The talk delved into the principles and applications of Remote Sensing, elucidating the various platforms and sensors used to collect data from the Earth's surface. Ms. Niraimathi shared her practical experiences, detailing real-world projects where Remote Sensing techniques were employed to address environmental challenges and resource management. So, Students gained a profound understanding of how Remote Sensing and GIS are applied in real-world scenarios, broadening their perspectives on the potential impact of these technologies.

The GIS segment of the talk covered the integration and analysis of spatial data, showcasing its relevance in mapping and decision support systems. Ms. Niraimathi also explained how GIS is employed to solve complex problems, citing examples from her own research and collaborative projects. Also, valuable insights into career opportunities in the field were shared, inspiring students to consider research and innovation as viable career paths.

The session was interactive, with Ms. Niraimathi encouraging students to ask questions and share their thoughts. This dynamic exchange fostered a deeper understanding of the subject matter and allowed students to glean insights from the speaker's rich professional experience.

Dindigul – Palani Highway, Dindigul 624 002

Ms. Niraimathi's Alumnus Talk left a lasting impact on the students of SSM Institute of Engineering and Technology. The session not only enhanced their understanding of cutting-edge technologies but also motivated them to aspire for excellence in their academic and professional pursuits. The talk served as a testament to the success of SSM Institute of Engineering and Technology alumni, reinforcing the strong bond between the institution and its graduates. The institute looks forward to hosting more such insightful talks that bridge the gap between academia and the ever-evolving technological landscape.

Respected Sir,

Sub: Requisition for conducting an alumni talk on “Recent Advancements in Block chain” and to provide refreshment for the resource person-reg.

We wish to bring to your kind notice that a technical talk is planned to be conducted for II CSE, II CSBS and II AIDS students on “Recent Advancements in Block chain”, by Mr. T.Muthaiya Team Lead (Block chain Engineer), Unibase labs, Bangalore on 16.12.2023. In this regard, we seek your permission for the conduct of an Event and request you to provide an honorarium and also refreshment (FN) for the trainer (2 person) from Alumni cell Association at our college premises. We kindly request you to grant us the same.

Thanking you,

Yours truly,

ABOUT THE EVENT:

SSMIET Alumni Association had organized an Alumni Talk on "Recent Advancements on Blockchain" by Mr T.Muthaiya, *Team Lead, Block chain Engineer, Unibase Labs, Bangalore.*

The programme had commenced at 11.00 AM with the prayer song. The welcome address and Chief Guest introduction was given by Mrs N.J Divya Assistant Professor of CSE Department. The chief guest was honoured by Mr D.Manoj Alumni cell Coordinator and N.J Divya AP/CSE.

The awareness program covered topics such as Block chain Introduction, Objectives of blockchain, Digital Timestamps, Embedding Distributed Ledger Technology, Problem with Bank Transactions, How blockchain was so secure, Bitcoin Intro, Distributed Ledger, Bitcoin Block chain Examples, Hash Function, Proof of Work, Consensus, Simple Bitcoin Transaction and then handed over the session to our special invitee of Ms Vaishnavi Full stack Developer in her own start-up who was an alumni of 2017-2021 Batch passed out of CSE Department .

She covers the remaining topic of Mining, Blockchain Usecases, Real time Examples and safe transactions and interact with the students and clarify their doubts.

Main aim of the event will be to overcome the difficulty of the students communicating with the higher officials who are working in the IT sector to ask their queries and clarify their doubts in a convenient manner. Henceforth this session will be helpful to the students to interact with their seniors who are working in the IT sectors.

The programme has widened the minds of the students with more knowledge on Blockchain. Finally, the vote of thanks was proposed by Mrs N.J Divya (AP/CSE), followed by National Anthem. The programme was ended at 12.30p.m.

OBJECTIVES OF THE EVENT:

The following are the primary objectives of the program:

- To make a student's more interactive.
- To open up the minds of the students in the area of Block Chain.
- To know more about the working environment of IT Sector.
- To know about the barriers of their skill development
- To build their communication skill.

OUTCOMES OF THE EVENT:

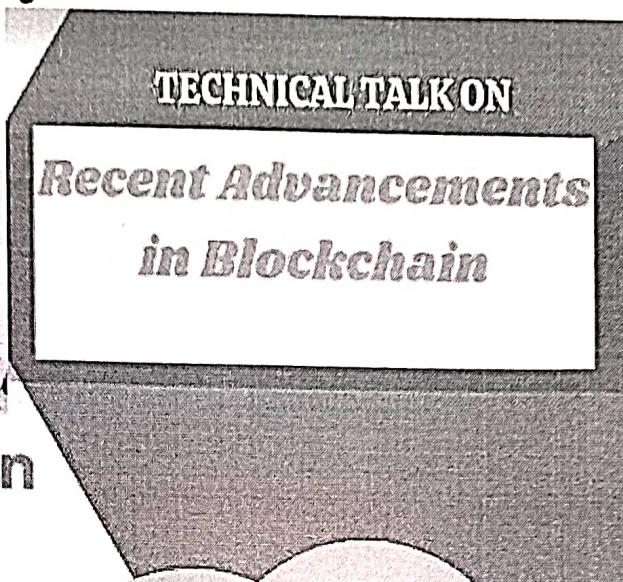

- The workshop yielded several positive outcomes, including increased awareness of bank transactions safely and understanding Bit coin Transactions among Distributed system securely.
- Familiarity with the Concepts of Distributed Ledger Transaction.
- Overcome the fear of asking queries in front of all students.
- Gave a detailed doubt clarification session.
