

## YOUTH RED CROSS

### ABOUT:

The Youth Red Cross Society (YRC) is the most important constituent of its parent organization Indian Red Cross Society. It is a movement organized at the college level for students between 18 and 25 years of age. Young volunteers can make a significant contribution to meeting the needs of the most vulnerable people within their local communities through Red Cross youth programme.

### OBJECTIVES:

- To contribute to the improvement of health, the prevention of disease and maternity and child care in the community.
- Awareness on the care of their own health and that of others
- Understanding and acceptance of civic responsibilities and acting accordingly with humanitarian concern, to fulfill the same
- To enable the growth and development of a spirit of service and sense of duty with dedication and devotion in the minds of youth

### FUNDAMENTAL PRINCIPLES:

- Promotion of health and life
- Service to the sick and the suffering
- Promotion of national and international friendship to develop the mental and moral capacities of the youth.

### ACTIVITIES:

We encourage humanitarian action among our pupils through our active YRC unit, which include

- Blood Donation Camp.
- Conduct Essay competition and award prizes.
- Practice of Health habits and Social service.
