## Installation of Rotaract club

The annual meeting was held at Seminar Hall-2 on Wednesday the 5th September 2018. President Elect Mr. Prabhakaran.C introduced his board which consisted of Goutham.S as club Secretary and everyone immediately decided they have to support themselves for sincere support for the academic year 2018-2019. There were certain other matters of internal policy that were discussed which elicited substantial and meaningful participation by members. The club is truly democratic in that sense and it gave such a good feel that if there are five people giving their ideas, it looks like there are at least four ideas to go over, analyze and arrive at a consensus.
