Blood Donation Camp on 25.01.2020 – Report

A blood donation camp was taken by SSM Institute of Engineering and Technology, Dindigul, on **25th January 2020** by the NSS unit of the college.

A group of 2 doctors and 4 nurses who were from Kannivadi health Centre and Dindigul Govt. hospital offered their valuable services for conducting the camp. The donors were asked to fill a medical form to give details about their health related information. Before the donation, checking weight, pressure and body temperature were measured so that the one donating blood does have to face further.

Before donating blood, everyone ate fruits and drank juice. After that, a high grade doctor gave a speech on the advantages of blood donation. The program was held in the auditorium of the college.

The one donating blood was taken to the relaxation room for the rest of a few minutes and given certificates and refreshments. The professors of the respective departments along with the principal took part in this great program organized by the college.

A total of 87 units of blood was collected and the program went till 3.30 pm. The college cooperated greatly with the medical team and was provided with the afternoon lunch.

The Principal acknowledged the college authority and the college NSS Unit for such great initiative and said to have more such programs.
